Subject: Consent Agenda Item #47: OR3 Should Use \$21,000 for Starlink to Improve Emergency Communication at Shelters

******CAUTION:**This is an EXTERNAL email. Exercise caution. DO NOT open attachments or click links from unknown senders or unexpected email.********

Dear Board,
The OR3 should use the \$21,000 grant money that was meant to improve emergency communication at emergency shelters to purchase Starlink service as needed. Spending the money to hold meetings for VOAD is not a good use of the money to improve emergency communication.

Thank you.
Sincerely,
Becky Steinbruner
