Good morning,

Many parents at WCSA and Alianza schools are frustrated by the unnecessary continued imposition of blockades on Paulsen, which is no longer flooded and causes us to have to go far and wide to get our kids to school twice a day. We respectfully request that you consider our community's wellbeing by taking away the blockades as soon as possible.

Thank you for prioritizing this matter, it affects workers, residents and thousands of others daily for access across unincorporated Watsonville to the main streets and 152.

Respectfully yours,

Linda Aron (Phoenix Artemisia)
