Subject: Agenda Item 10- DENY THE TOWER! Dear Santa Cruz County Supervisors,

****CAUTION:This is an EXTERNAL email. Exercise caution. DO NOT open attachments or click links from unknown senders or unexpected email.****

Dear County Supervisors,

I am writing to urge you to DENY the proposed cell tower installation on Summit Drive.

My daughter, her husband and my two grandchildren live very close to the proposed location. They moved to this land high up in the Santa Cruz mountains to get away from some of the "conveniences" of modern life. It's a shame that despite their efforts to find a simpler way of living, "modernism" has to track them down, and haunt them.

I would ask you - do we really need to cover the entire planet with cell service? I think it's only right that we see the wisdom in leaving some remote places alone.

Thank you for listening.
