I was unable to attend meeting today but would like to give my input. I am a realtor, concerned citizen as well as live in Clubhouse area of Aptos. I am deeply concerned and opposed to affordable housing in our neighborhood and the impact it will have on already problematic traffic on Clubhouse. Traffic in the mornings is already so backed up to Alta. Many drivers are also taking a short cut thru our area to avoid freeway which further impacts the congestion. We can't have anymore traffic with additional cars added! Please consider this from someone who resides in that neighborhood and is aware firsthand of the current problem.

Thank you,
