

Memorandum of Agreement

Between County of Santa Cruz Department of Parks, Open Space, and Cultural Services and Mid-County Pony Baseball League

Effective Date: _____, 2025

This Memorandum of Agreement (“Agreement”) is made effective as of the date above by and between the County of Santa Cruz through the Department of Parks, Open Space, and Cultural Services (“County”), a California public agency and the Mid-County Pony Baseball League (“League”), a California public benefit nonprofit corporation. Each may be referred to herein individually as a “Party” and collectively as the “Parties.”

Recitals

WHEREAS, the County owns and operates Polo Grounds County Park in Aptos, which includes a baseball field currently used by the League for youth Pony League baseball during the months of March to July; and

WHEREAS, the League desires to install an electronic scoreboard at the field by relocating an existing scoreboard from Aptos High School, at no cost to the County; and

WHEREAS, the League also proposes to install a 6’ x 10’ equipment shed to house the scoreboard controller, provide equipment storage, and include a scorekeeper’s booth, all at no cost to the County; and

WHEREAS, the County shall retain full control and ownership of all improvements made at the field, with the League assuming responsibility for maintenance as described herein; and

NOW, THEREFORE, the Parties agree as follows:

1. Agreement Term

The term of this Agreement (“Agreement Term”) shall commence on the Effective Date and, unless terminated earlier, shall expire five (5) years thereafter. The County may terminate this Agreement without cause upon ninety (90) calendar days written notice to the other Party. Upon termination of this Agreement, the County shall retain ownership of any donated materials, inclusive of the scoreboard and the equipment shed.

2. Scope of Joint Use

This Agreement governs the installation, use, and maintenance of the scoreboard and equipment shed (collectively, “Facilities”). The League shall have priority use of the Facilities during the Pony League baseball season, provided this Agreement remains in effect. Other groups may use the Facilities outside of this period, subject to County approval.

3. Installation and Oversight

The League will oversee the relocation and installation of the scoreboard and ensure the project adheres to approved plans, as described in further detail in EXHIBIT A, which is attached hereto and incorporated herein by reference. The installation location for the Facilities will be in locations approved by the County, as described in further detail in EXHIBIT B, which is attached hereto and incorporated herein by reference. The League shall provide all necessary funding and ensure that licensed contractors or volunteers complete the installation. The County will review, approve, and oversee the project to ensure compliance with safety and operational standards.

4. Maintenance Responsibilities

The League shall assume full responsibility for maintaining the Facilities, including regular upkeep and necessary repairs to keep them in safe, operable condition. County shall always have access to the Facilities. If repairs exceed the League’s funding capacity, the Facilities will remain unused until repairs are made. The County will not be responsible for funding any maintenance or repairs of the Facilities during the Agreement Term and shall incur no costs for the installation or maintenance of the Facilities. In lieu of this donation of time and materials, the League shall not be responsible for increased electrical bills the County may incur from operations of the Facilities.

5. Ownership of Improvements

The County shall retain ownership of all improvements, including the scoreboard and equipment shed, once installed, and upon the end or termination of the Agreement Term. The scoreboard and shed will not be encumbered or subjected to liens by any Party.

6. Signage and Logos

Each Party may display their logos on a sign affixed above the scoreboard, and the County Parks logo shall be affixed to the scoreboard prior to installation. The existing logo for Aptos High School will be removed prior to installation. The County shall approve the design of the sign prior to installation.

7. Notices

The Parties must give all notices under this Agreement in electronic writing sent to the addresses set forth below. Notice shall be deemed to have been given and received on the date received by the non-noticing party.

9. Indemnification

To the fullest extent permitted by law, the League shall exonerate, indemnify, defend and hold harmless the County, its Board of Supervisors, County Parks, and their officers, employees, volunteers, affiliates, and agents from and against any and all claims, demands, losses, damages, defense costs, or liability of any kind or nature which County or County Parks may sustain or incur or which may be imposed upon it as a result of, arising out of, or in any manner connected with the League's performance under the terms of this Agreement, excepting any liability arising out of the sole or active negligence of the County Parks. Such indemnification includes any damage to the person(s), or property (ies) of the League and third persons.

10. Insurances

A. The League shall maintain its own liability insurance coverage to cover any claim of liability arising out of the activities, responsibilities, or duties of League as set forth in this Agreement and shall include Commercial General Liability for an amount no less than \$2,000,000. The League's General Contractors shall maintain the same level of liability coverage as well as Automobile Liability for an amount no less than \$500,000; and Workers Compensation Insurance in the minimum statutorily required coverage amounts. All policies of Commercial General Liability Insurance shall be endorsed to cover the County of Santa Cruz, its officers, officials, employees, agents, and volunteers as additional

insureds with respect to liability arising out of the work or operations and activities performed by League pursuant to this Agreement.

B. County Parks shall maintain its own liability coverage through self-insurance.

11. Governing Law

The laws of the State of California govern all matters arising from or related to this Agreement.

12. Jurisdiction and Venue

This Agreement is signed and performed in Santa Cruz County, California. Parties consent to California jurisdiction for actions arising from or related to this Agreement, and, subject to the Government Claims Act, all such actions must be brought and maintained in Santa Cruz County.

13. Integrated Contract

This Agreement, including its attachments, is the entire agreement between the Parties with respect to the subject matter of this Agreement, and it supersedes all previous negotiations, proposals, commitments, writings, advertisements, publications, and understandings of any nature unless those things are expressly included in this Agreement.

14. Modification

This Agreement may not be modified, and no waiver is effective, except by written agreement signed by all Parties. The League acknowledges that County employees have no authority to modify this Agreement except as expressly provided in this Agreement.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, County of Santa Cruz (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
