Greetings Supervisors,

First, a big congratulations and thank you to Supervisors McPherson and Friend for your many years of dedicated service.

Our local Democratic Party strongly endorses the proposed Project Labor Agreement. This model strengthens local residents and workers by keeping more money circulating in the community, who can then afford to live here and contribute positively.

A five year study is a fair approach to testing and improving the process.

Item 8, reinforcing our sanctuary status, helps protect our valued neighbors whose kids go to school, who take care of our seniors, who need to be able to access health care without fear, and who work in key sectors that are the backbone of our private sector economy.

Thank you for supporting this and for all you do on our behalf.

Andrew Goldenkranz
Chair, Santa Cruz County Democratic Party
