Under Public Resources Code Section 4114 and other provisions of law, STATE maintains fire prevention and fire suppression forces including the necessary equipment, personnel, and facilities required to prevent and extinguish forest fires.

The purpose of this agreement is to provide mutually advantageous fire and emergency services through an effective consolidated organization, wherein the STATE is primarily financially responsible for protecting natural resources from vegetation fires and the LOCAL AGENCY is primarily financially responsible for protecting life and property from fires and other emergencies. The LOCAL AGENCY shall have sole authority to establish the fire protection organization and structure needed to meet the determined level of service. Under the requirements of California Public Resources Code Section 4114 and other provisions of law, STATE maintains fire prevention and firefighting services as outlined in Exhibit D, Schedule B of this agreement.

- A. Director shall select and employ a Region Chief who shall, under the direction of the Director/Chief Deputy Director, manage all aspects of fire prevention and fire protection services and forestry-related programs.
- B. Director will select and employ a Unit Chief who shall, under the supervision and direction of Director/Region Chief or a lawful representative, have charge of the organization described in Exhibit D, Schedules A, B and C included hereto and made a part of this agreement.
- C. LOCAL AGENCY shall appoint the Unit Chief as the LOCAL AGENCY Fire Chief for all Emergency Fire Protection, Medical and Rescue Response Agreements, pursuant to applicable statutory authority. The Unit Chief may delegate this responsibility to qualified staff.
- D. The Unit Chief may dispatch personnel and equipment listed in Exhibit D, Schedules A, B and C from the assigned station or location under guidelines established by LOCAL AGENCY and approved by STATE. Personnel and/or equipment listed in Exhibit D, Schedule B may be dispatched at the sole discretion of STATE.

- E. The Unit Chief shall exercise professional judgment consistent with STATE policy and his or her employment by STATE in authorizing or making any assignments to emergencies and other responses, including assignments made in response to requests for mutual aid.
- F. Except as may be otherwise provided for in this agreement, STATE shall not incur any obligation on the part of LOCAL AGENCY to pay for any labor, materials, supplies or services beyond the total set forth in the respective Exhibit D, Schedules A and C, as to the services to be rendered pursuant to each Schedule.

3. SUPPRESSION COST RECOVERY

As provided in Health and Safety Code (H&SC) Section 13009, STATE may bring an action for collection of suppression costs of any fire caused by negligence, violation of law, or failure to correct noticed fire safety violations. When using LOCAL AGENCY equipment and personnel under the terms of this agreement, STATE may, at the request of LOCAL AGENCY, bring such an action for collection of costs incurred by LOCAL AGENCY. In such a case LOCAL AGENCY appoints and designates STATE as its agent in said collection proceedings. In the event of recovery, STATE shall deduct fees and litigation costs in a proportional percentage amount based on verifiable and justifiable suppression costs for the fire at issue. These recovery costs are for services provided which are beyond the scope of those covered by the local government administrative fee.

In all such instances, STATE shall give timely notice of the possible application of H&SC Section 13009 to the representative designated by LOCAL AGENCY.

4. MUTUAL AID

When rendering mutual aid or assistance as authorized in H&SC Sections 13050 and 13054, STATE may, at the request of LOCAL AGENCY, demand payment of charges and seek reimbursement of LOCAL AGENCY costs for personnel, equipment and operating expenses as funded herein, under authority given by H&SC Sections 13051 and 13054. STATE, in seeking said reimbursement pursuant to such request of LOCAL AGENCY, shall represent LOCAL AGENCY by following the procedures set forth in H&SC Section 13052. Any recovery of LOCAL AGENCY costs, less expenses, shall be paid or credited to LOCAL AGENCY, as directed by LOCAL AGENCY.

- B. Any other funds designated by LOCAL AGENCY to be expended under the supervision of or for use by a Unit Chief for fire protection services shall be set forth in Exhibit D, Schedule C. This clause shall not limit the right of LOCAL AGENCY to make additional expenditures, whether under Exhibit D, Schedule C or otherwise.
- C. STATE shall invoice LOCAL AGENCY for the cost of fire protection services on a quarterly basis as follows:
 - 1) For actual services rendered by STATE during the period of July 1 through September 30, by an invoice filed with LOCAL AGENCY on or after December 10.
 - 2) For actual services rendered by STATE during the period October 1 through December 31, by an invoice filed with LOCAL AGENCY on or after December 31.

 - 5) A final statement shall be filed with LOCAL AGENCY by October 1 following the close of the fiscal year, reconciling the payments made by LOCAL AGENCY with the cost of the actual services rendered by STATE and including any other costs as provided herein, giving credit for all payments made by LOCAL AGENCY and claiming the balance due to STATE, if any, or refunding to LOCAL AGENCY the amount of any overpayment.
 - 6) All payments by LOCAL AGENCY shall be made within thirty (30) days of receipt of invoice from STATE, or within thirty (30) days after the filing dates specified above, whichever is later.
 - 7) The STATE reserves the right to adjust the frequency of billing and payment to a monthly cycle with a thirty (30) day written notice to the LOCAL AGENCY when:
 - a. The Director predicts a cash flow shortage, or
 - b. When determined by the Region Chief, after consulting with the Unit Chief and the LOCAL AGENCY Contract Administrator, that the LOCAL AGENCY may not have the financial ability to support the contract at the contract level.
- D. Invoices shall include actual or estimated costs as provided herein of salaries and employee benefits for those personnel employed, charges for operating expenses and equipment and the administrative charge in accordance with Exhibit D, Schedule A. When "contractual rates" are indicated, the rate shall be based on an average salary plus all benefits. "Contractual rates" means an all-inclusive rate established in Exhibit

D, Schedule A for total costs to STATE, per specified position, for 24-hour fire protection services during the period covered.

- E. STATE shall credit the LOCAL AGENCY, or cover behind at no cost, for the costs of Non-post (e.g. Fire Marshal, Training Officer, etc.) positions and equipment assigned to STATE responsibility fires or other STATE funded emergency incidents. The STATE shall notify the LOCAL AGENCY when this occurs.

2. COST OF OPERATING AND MAINTAINING EQUIPMENT AND PROPERTY

The cost of maintaining, operating, and replacing any and all property and equipment, real or personal, furnished by the parties hereto for fire protection purposes, shall be borne by the party owning or furnishing such property or equipment unless otherwise provided for herein or by separate written agreement.

3. BUDGET CONTINGENCY CLAUSE

- A. If the LOCAL AGENCY's governing authority does not appropriate sufficient funds for the current year or any subsequent years covered under this Agreement, which results in an inability to pay the STATE for the services specified in this Agreement, the LOCAL AGENCY shall promptly notify the STATE and this Agreement will terminate pursuant to the notice periods required herein.
- B. If funding for any fiscal year is reduced or deleted by the LOCAL AGENCY for purposes of this program, the LOCAL AGENCY shall promptly notify the STATE, and the STATE shall have the option to either cancel this Agreement with no liability occurring to the STATE, or offer an agreement amendment to LOCAL AGENCY to reflect the reduced amount, pursuant to the notice terms herein.
- C. If the STATE Budget Act does not appropriate sufficient funds to provide the services for the current year or any subsequent years covered under this Agreement, which results in an inability to provide the services specified in this Agreement to the LOCAL AGENCY, the STATE shall promptly notify the LOCAL AGENCY, and this Agreement will terminate pursuant to the notice periods required herein.
- D. If funding for any fiscal year is reduced or deleted by the STATE Budget Act for purposes of this program, the STATE shall promptly notify the LOCAL AGENCY, and the LOCAL AGENCY shall have the option to either cancel this Agreement with no liability occurring to the LOCAL AGENCY, or offer an agreement amendment to LOCAL AGENCY to reflect the reduced services, pursuant to the notice terms herein.
- E. Notwithstanding the foregoing provisions in paragraphs A and B above, the LOCAL AGENCY shall remain responsible for payment for all services actually rendered by the STATE under this Agreement regardless of LOCAL AGENCY funding being reduced, deleted or not otherwise appropriated for this program. The LOCAL AGENCY shall promptly notify the STATE in writing of any budgetary changes that would impact this Agreement.
- F. LOCAL AGENCY and STATE agree that this Budget Contingency Clause shall not relieve or excuse either party from its obligation(s) to provide timely notice as may be required elsewhere in this Agreement.

EXHIBIT C
GENERAL TERMS AND CONDITIONS

1. **APPROVAL**: This Agreement is of no force or effect until signed by both parties and approved by the Department of General Services, if required. STATE will not commence performance until such approval has been obtained.
2. **AMENDMENT**: This agreement may be amended by mutual consent of LOCAL AGENCY and STATE. No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or Agreement not incorporated in the Agreement is binding on any of the parties.

If during the term of this agreement LOCAL AGENCY shall desire a reduction in STATE civil service employees assigned to the organization provided for in Exhibit D, Schedule A, LOCAL AGENCY shall provide 120 days written notice of the requested reduction. Notification shall include the following: (1) The total amount of reduction; (2) The firm effective date of the reduction; and (3) The number of employees, by classification, affected by a reduction. If such notice is not provided, LOCAL AGENCY shall reimburse STATE for relocation costs incurred by STATE as a result of the reduction. Personnel reductions resulting solely from an increase in STATE employee salaries or STATE expenses occurring after signing this agreement and set forth in Exhibit D, Schedule A to this agreement shall not be subject to relocation expense reimbursement by LOCAL AGENCY.

If during the term of this agreement costs to LOCAL AGENCY set forth in any Exhibit D, Schedule A to this agreement increase and LOCAL AGENCY, in its sole discretion, determines it cannot meet such increase without reducing services provided by STATE, LOCAL AGENCY shall within one hundred twenty (120) days of receipt of such Schedule notify STATE and designate which adjustments shall be made to bring costs to the necessary level. If such designation is not received by STATE within the period specified, STATE shall reduce services in its sole discretion to permit continued operation within available funds.

3. **ASSIGNMENT**: This Agreement is not assignable by the LOCAL AGENCY either in whole or in part, without the consent of the STATE in the form of a formal written amendment.
4. **EXTENSION OF AGREEMENT**:
 - A. One year prior to the date of expiration of this agreement, LOCAL AGENCY shall give STATE written notice of whether LOCAL AGENCY will extend or enter into a new agreement with STATE for fire protection services and, if so, whether LOCAL AGENCY intends to change the level of fire protection services from that provided by this agreement. If this agreement is executed with less than one year remaining on the term of the agreement, LOCAL AGENCY shall provide this written notice at the time it signs the agreement and the one year notice requirement shall not apply.
 - B. If LOCAL AGENCY fails to provide the notice, as defined above in (A), STATE shall have the option to extend this agreement for a period of up to one year from the original termination date and to continue providing services at the same or reduced level as STATE determines would be appropriate during the extended period of this agreement. Six months prior to the date of expiration of this agreement, or any extension hereof, STATE shall give written notice to LOCAL AGENCY of any extension of this agreement and any change in the level of fire protection services STATE will provide during the extended period of this agreement. Services provided and obligations incurred by STATE during an extended period shall be

accepted by LOCAL AGENCY as services and obligations under the terms of this agreement.

- C. The cost of services provided by STATE during the extended period shall be based upon the amounts that would have been charged LOCAL AGENCY during the fiscal year in which the extended period falls had the agreement been extended pursuant hereto. Payment by LOCAL AGENCY for services rendered by STATE during the extended period shall be as provided in Exhibit B, Section 1, B of this agreement.
5. **AUDIT:** STATE, including the Department of General Services and the Bureau of State Audits, and LOCAL AGENCY agree that their designated representative shall have the right to review and to copy any records and supporting documentation of the other party hereto, pertaining to the performance of this agreement. STATE and LOCAL AGENCY agree to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated, and to allow the auditor(s) of the other party access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. STATE and LOCAL AGENCY agree to a similar right to audit records and interview staff in any subcontract related to performance of this Agreement. (Gov. Code §8546.7, Pub. Contract Code §10115 et seq., CCR Title 2, Section 1896).
6. **INDEMNIFICATION:** Each party, to the extent permitted by law, agrees to indemnify, defend and save harmless the other party, its officers, agents and employees from (1) any and all claims for economic losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers and any other person, firm, or corporation furnishing or supplying work services, materials or supplies to that party and (2) from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by that party, in the performance of any activities of that party under this agreement, except where such injury or damage arose from the sole negligence or willful misconduct attributable to the other party or from acts not within the scope of duties to be performed pursuant to this agreement; and (3) each party shall be responsible for any and all claims that may arise from the behavior and/or performance of its respective employees during and in the course of their employment to this cooperative agreement.
7. **DISPUTES:** LOCAL AGENCY shall select and appoint a "Contract Administrator" who shall, under the supervision and direction of LOCAL AGENCY, be available for contract resolution or policy intervention with the STATE's Region Chief when, upon determination by the designated STATE representative, the Unit Chief acting as LOCAL AGENCY's Fire Chief under this agreement faces a situation in which a decision to serve the interest of LOCAL AGENCY has the potential to conflict with STATE interest or policy. Any dispute concerning a question of fact arising under the terms of this agreement which is not disposed of within a reasonable period of time by the LOCAL AGENCY and STATE employees normally responsible for the administration of this agreement shall be brought to the attention of the CAL FIRE Director or designee and the Chief Executive Officer (or designated representative) of the LOCAL AGENCY for joint resolution. For purposes of this provision, a "reasonable period of time" shall be ten (10) calendar days or less. STATE and LOCAL AGENCY agree to continue with the responsibilities under this Agreement during any dispute.
8. **TERMINATION FOR CAUSE/CANCELLATION:**
- A. If LOCAL AGENCY fails to remit payments in accordance with any part of this agreement, STATE may terminate this agreement and all related services upon 60 days written notice to LOCAL AGENCY. Termination of this agreement does not relieve LOCAL AGENCY from

providing STATE full compensation in accordance with terms of this agreement for services actually rendered by STATE pursuant to this agreement.

- B. This agreement may be cancelled at the option of either STATE or LOCAL AGENCY at any time during its term, with or without cause, on giving one year's written notice to the other party. Either LOCAL AGENCY or STATE electing to cancel this agreement shall give one year's written notice to the other party prior to cancellation.
9. **INDEPENDENT CONTRACTOR:** Unless otherwise provided in this agreement LOCAL AGENCY and the agents and employees of LOCAL AGENCY, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the STATE.
 10. **NON-DISCRIMINATION CLAUSE:** During the performance of this agreement, LOCAL AGENCY shall be an equal opportunity employer and shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS) mental disability, medical condition (e.g.cancer), age (over 40), marital status, denial of family care leave, veteran status, sexual orientation, and sexual identity. LOCAL AGENCY shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. LOCAL AGENCY shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 (a-f) et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. LOCAL AGENCY shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other Agreement.

In addition, LOCAL AGENCY acknowledges that it has obligations relating to ethics, Equal Employment Opportunity (EEO), the Fire Fighter's Bill of Rights Act (FFBOR), and the Peace Officer's Bill of Rights Act (POBOR). LOCAL AGENCY shall ensure that its employees comply with all the legal obligations relating to these areas. LOCAL AGENCY shall ensure that its employees are provided appropriate training.
 11. **TIMELINESS:** Time is of the essence in the performance of this agreement.
 12. **COMPENSATION:** The consideration to be paid STATE, as provided herein, shall be in compensation for all of STATE's expenses incurred in the performance hereof, including travel, per Diem, and taxes, unless otherwise expressly so provided.
 13. **GOVERNING LAW:** This agreement is governed by and shall be interpreted in accordance with the laws of the State of California.
 14. **CHILD SUPPORT COMPLIANCE ACT:** "For any Agreement in excess of \$100,000, the LOCAL AGENCY acknowledges in accordance with Public Contract Code 7110, that:
 - A. The LOCAL AGENCY recognizes the importance of child and family support obligations and shall fully comply with all applicable state and federal laws relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as provided in Chapter 8 (commencing with section 5200) of Part 5 of Division 9 of the Family Code; and

B. The LOCAL AGENCY, to the best of its knowledge is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.”

15. **UNENFORCEABLE PROVISION**: In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.

16. **COMPLIANCE WITH THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)**

The STATE and LOCAL AGENCY have a responsibility to comply with the provisions of the 1996 Federal Health Insurance Portability and Accountability Act (HIPAA) and the 2001 State Health Insurance Portability and Accountability Implementation Act. HIPAA provisions become applicable once the association and relationships of the health care providers are determined by the LOCAL AGENCY. It is the LOCAL AGENCY’S responsibility to determine their status as a “covered entity” and the relationships of personnel as “health care providers”, “health care clearinghouse”, “hybrid entities”, business associates”, or “trading partners”. STATE personnel assigned to fill the LOCAL AGENCY’S positions within this Agreement, and their supervisors, may fall under the requirements of HIPAA based on the LOCAL AGENCY’S status. It is the LOCAL AGENCY’S responsibility to identify, notify, train, and provide all necessary policy and procedures to the STATE personnel that fall under HIPAA requirements so that they can comply with the required security and privacy standards of the act.

17. **LIABILITY INSURANCE**

The STATE and LOCAL AGENCY shall each provide proof of insurance in a form acceptable to the other party at no cost one to the other, to cover all services provided and use of local government facilities covered by this agreement. If LOCAL AGENCY is insured and/or self-insured in whole or in part for any losses, LOCAL AGENCY shall provide a completed Certification of Self Insurance (Exhibit D, Schedule E) or certificate of insurance, executed by a duly authorized officer of LOCAL AGENCY. Upon request of LOCAL AGENCY the STATE shall provide a letter from DGS, Office Risk and Insurance Management executed by a duly authorized officer of STATE. If commercially insured in whole or in part, a certificate of such coverage executed by the insurer or its authorized representative shall be provided.

DESCRIPTION OF OTHER SERVICES

**LOCAL OPERATIONAL PLAN BETWEEN
THE SAN MATEO- SANTA CRUZ UNIT OF
THE CALIFORNIA DEPARTMENT OF FORESTRY AND FIRE PROTECTION
AND THE COUNTY OF SANTA CRUZ 2025/2026 and 2026/2027**

This operational plan between the San Mateo-Santa Cruz Unit of the California Department of Forestry and Fire Protection (CAL FIRE) and the County of Santa Cruz (County) for the period of July 1, 2025, through June 30, 2027, describes in detail the functions to be completed by CAL FIRE and County staff for fiscal year 2025/2026 and fiscal year 2026/2027. This operational plan will be incorporated into the Santa Cruz County Fire Department Strategic Plan.

The County of Santa Cruz contracts with CAL FIRE to provide administrative and operational management of the Santa Cruz County Fire Department (County Fire). By resolution, the CAL FIRE Unit Chief is delegated the authority by the County Board of Supervisors to act as the County Fire Chief/County Fire Marshal. The responsibilities of the County Fire Chief/County Fire Marshal include delivery of fire protection emergency medical service, fire prevention service and other duties associated with a full-service fire department. This program is consistent with statutes and CAL FIRE statewide policies of developing cooperative fire protection programs with local government.

The deliverables will be related to the goals set forth in the development of the new County Fire Department Strategic Plan as follows:

GOALS

FINANCIAL: Continue to provide the highest level of service within the established fiscal parameters; balancing the use of available career and paid-call personnel to operate the County Fire Department in a cost-effective and efficient manner.

MANAGEMENT: Provide a coordinated management team, including an Assistant Chief and an Operational Battalion Chief, to effectively serve the needs of the entire County Fire Department.

VOLUNTEERS: Strengthen recruitment and retention of an effective force of paid-call firefighters through improved publicity, working relationships, and benefits.

JURISDICTION: Evaluate and make recommendations for alternative service models as needed.

FACILITIES: Maintain existing facilities in a serviceable condition and prepare a recommended minor and major capital outlay plan for all County-owned facilities.

FIRE PREVENTION: Provide a comprehensive fire prevention program that includes plan review, on-site residential and business inspections, educational training for the public and fire department personnel, and safety inspections for schools and care facilities.

TRAINING: Ensure that all personnel are provided with mandated training to safely carry out their duties and responsibilities and are afforded opportunities to develop skills and abilities beyond the minimum requirements of the department.

FIRE SUPPRESSION: Manage the use of all fire suppression resources including County personnel/equipment as well as cooperating fire agencies in the County, to ensure that all fires are provided with an initial attack that is rapid, aggressive, and effective.

EMERGENCY MEDICAL SERVICES: Provide a high level of pre-hospital emergency medical services.

VEHICLES & EQUIPMENT: Operate a comprehensive vehicle and equipment program addressing replacement, maintenance, and future purchases within budget parameters.

DISASTER PREPAREDNESS: Ensure that the Department's abilities to respond to major emergencies and disasters are maintained at an effective level.

FINANCIAL

Departmental expenditures include all items contained in the current County Fire budget including the contract for services with CAL FIRE. County Fire is financed through the Fire Fund which is funded primarily through property taxes and County Service Area (CSA) 48 and CSA 4 fees.

County Fire will strive to provide an acceptable level of service by operating the County Fire Department in a cost-effective and efficient manner. County Fire will continue to identify short and long-term potential changes that could affect the Department's funding. County Fire will evaluate opportunities to increase revenues from other sources such as grants and reimbursement from the state for use of county vehicles.

MANAGEMENT

Santa Cruz County currently contracts with CAL FIRE for the administration of County Fire including operational oversight and supervision of all career and paid-call firefighters. CAL FIRE provides administration, access to state resources, training, equipment maintenance, purchasing specifications and recommendations, structural maintenance and administration of paid-call firefighter benefits and worker's compensation programs. During the non-peak fire season months (winter), CAL FIRE

currently provides 24 hour/7days per week coverage by way of an “Amador” contract with the state in one county funded fire station and four state funded fire stations that would normally be closed.

County Fire staff are responsible for maintaining the Volunteer Handbook which sets forth department policy and procedures for paid-call firefighters. The handbook is an essential tool to ensure good communication and promote teamwork between paid CAL FIRE staff and the paid-call firefighters. Ongoing updates to the handbook are required to maintain a cooperative process to operate efficiently.

County Fire will provide a dynamic and updated Policy and Procedures Manual, that will keep County Fire in line with current industry standards.

County Fire will provide a coordinated management program to effectively serve the needs of the entire County Fire Department.

County Fire will establish and maintain an effective records management system for each component of the department's operations. The record management system will be through the First Due platform.

VOLUNTEERS

Recruitment and retention of paid-call firefighters will remain a priority in management of the County Fire Department.

County Fire will actively recruit paid-call firefighters by participating in various Job Fairs and public outreach events.

County Fire will also begin to offer opportunities for non-response volunteers.

JURISDICTION

As development occurs and infrastructure conditions improve within the County Fire's jurisdiction, developed areas may be annexed by adjacent fire agencies or form separate service areas in order to pursue a more urban level of service. It is recommended that the department continue to identify possible annexations and develop budgetary contingency plans that minimize overall operational impacts. County Fire will maintain appropriate auto aid and mutual aid agreement with our cooperators. County Fire will annually review potential annexations and development projects and their resulting effects on revenues and service demand. County Fire will develop contingency plans to maintain appropriate levels of service as needed.

FACILITIES

The four state funded fire stations and one county funded fire station that serve CSA 48 year-round are Big Creek, Fall Creek (county), Saratoga Summit, Burrell, and Corralitos, and are maintained by the state under the contract with CAL FIRE.

Volunteer stations are Loma Prieta (privately owned), Las Cumbres (privately owned), Davenport (leased to the county), and two reside in Bonny Doon (Martin and McDermott). These facilities provide equipment, training and meeting space for County Fire paid-call firefighters.

County Fire Department will explore ways to enhance facilities where fiscally feasible, as well as a program to ensure routine facility inspections and maintenance.

FIRE PREVENTION

Fire prevention is a top priority of County Fire protection services. In 1995, the Office of the County Fire Marshal was consolidated into the County Fire Department enhancing services to the public and coordination between County Fire, County departments and state and local agencies. Subsequently, through the cooperative agreement with CAL FIRE, the County Fire Department gained access to a full-time law enforcement/fire investigation staff, further increasing the level of service to the community.

The County Fire Department addresses fire prevention through several effective programs and activities:

- Inspections and plan checks as part of the building permit process
- Response to fire hazard complaints
- Public education programs and coordination with Fire Safe Councils
- Mandatory fire safety inspections for required occupancies.

TRAINING

An effective training program is critical to a successful fire department, particularly when that Department depends on supplemental response by paid-call personnel. The fire and emergency response service has evolved into a very complex discipline with numerous training and certification requirements imposed by different regulatory entities.

Paid-call personnel are required to complete over *600 hours* of initial training in their first year and at least two three-hour sessions per month thereafter. The Candidate Physical Ability Test (**CPAT**) and Live Scan (background check) must be completed prior to submitting an application. The strenuous nature of the training, coupled with the time commitment, presents a challenge in the recruitment and retention of long-term paid-call firefighters.

County Fire will monitor the current training program to ensure maintenance of all County Fire personnel's compliance with Federal, State, and Cal/OSHA mandates. Ensure that all personnel are provided with sufficient training to keep up with advances in safety as well as to carry out all their duties and responsibilities and, additionally, are afforded opportunities to develop skills and abilities beyond the minimum requirements of the department.

County Fire will participate in a coordinated effort with other agencies to provide an expanded training schedule to enable volunteers to fulfill training requirements.

DISPATCH SERVICES

The current Computer-Aided Dispatch (CAD) system at the Felton Emergency Command Center produces statistics or other helpful management data, such as the number of responses by each station and the types of incidents.

FIRE SUPPRESSION

The County Fire Department continually seeks practical, low cost, service delivery programs. Additionally, regulations requiring a minimum of four personnel at a structure fire scene before firefighters can enter a burning building have increased the need for innovative and creative solutions to staffing challenges. The return of County Fire's three-person engine staffing during "Amador" accomplishes the following operational objectives:

1. Compliance with the CAL OSHA requirement to have a minimum of four personnel on the scene of a structure fire prior to beginning interior attack can be accomplished with the response of just one paid-call firefighter.
2. Compliance with the Santa Cruz County Fire Agencies Mutual Aid Plan. This plan requires that fire engines responding to mutual aid requests be staffed with a minimum of three personnel. County Fire is a frequent user of mutual aid and it is important that the department can provide comparable mutual aid in return.

Providing reliable and effective fire suppression and emergency response service is dependent upon response time (defined as the time between receipt of call and arrival on scene) and the capability of the response complement. In an effort to reduce response time, the County Fire Department has developed and implemented automatic response agreements with neighboring agencies to ensure that the closest appropriate resources are sent to incidents. County Fire works toward providing a high level of structural fire suppression services within the resources available to the department.

County Fire has evaluated the structural fire potential within the jurisdiction and has developed and maintains a specific MCI, evacuation, and target hazard plan for those

locations that pose a particular or unusual operational problem for the Department's fire suppression efforts.

EMERGENCY MEDICAL SERVICES

County Fire provides Basic Life Support (BLS) Expanded Scope and defibrillator services throughout its jurisdiction. CAL FIRE and paid-call staff are trained to a minimum level of Public Safety/ First Aid.

Due to County Fire's significant need for paid-call responders, a new Emergency Medical Responder (EMR) position was created in 2016. Typically, the extensive mandatory training hours required to become a paid-call firefighter can be an obstacle to those who are interested in serving in this type of role. The EMR position allows qualified individuals to complete a shorter training program which quickly qualifies them to serve this vital need in their community.

County Fire will strive to provide the highest level possible within budgetary constraints of pre-hospital emergency medical services by exploring new technologies to improve emergency medical services, examining equipment needs in relation to improving the effectiveness of emergency medical service delivery, and encourage all responders to become Emergency Medical Technicians.

MOBILE EQUIPMENT

The objective of this plan is to identify and replace mobile equipment that have met or exceeded their serviceable life and replace them with emergency response apparatus, which meet the following criteria:

- Maintains or improves the current level of service
- Cost effective to the citizens of Santa Cruz County
- Incorporates modern fire service technologies
- Safe to operate

County Fire's current fleet averages 9.7 years of age in 2025 with 5 pieces of the fleet over 20 years old. The goal of a Mobile Equipment Replacement Plan (MERP) is to maintain a fleet of first line engines that are no older than 20 years to meet NFPA requirements and maintain an average engine age of less than 10 years. This plan will integrate the rotation of apparatus over the life of the plan to maximize serviceable life.

DISASTER PREPAREDNESS

The County Fire Department, like other fire agencies in the County and elsewhere, are "first response" organizations. As part of its mission, the department maintains a capability to respond to incidents independently or in concert with multiple agencies

and jurisdictions, including coordination with local Community Emergency Response Teams (CERT).

As a member of the Santa Cruz County Fire Chiefs Association, the County Fire Department participates in an operations group to work on issues related to mutual aid, standardized fire service training, and standardized operations. The operations group also advises the County Fire Chiefs' Association and the Area Fire Coordinator, who is the CAL FIRE/County Fire Chief, regarding disaster planning and preparedness. The Area Fire Coordinator represents fire and rescue services at the County Emergency Operations Center (EOC) whenever the fire section is activated.

It is necessary that the Department continue to incorporate current information and directives from state and federal authorities regarding non-fire emergency response requirements, such as crisis and consequence management, into its planning and training programs. The Santa Cruz County Fire Chiefs Association recommended that County Fire continue to participate in this planning process and support solutions that maintain response capability.

The goal of the Department is to maintain our ability to respond to major emergencies and disasters at an effective level. County Fire participates in County-wide disaster drills involving tactical units and/or command and control function. Ensure law enforcement and other applicable public safety agencies are afforded the opportunity to participate in fire/rescue mutual aid training as necessary.

This plan is effective July 1, 2025, through June 30, 2027.
