Dear Board (members who voted \$200,000 for leftist nonsense last meeting),

I am deeply concerned you have lost your minds, committed fiscal insanity, and have zero respect for common sense or taxpayer dollars in approving \$200,000 to be squandered on leftist nonsense like imaginary rights of trans and illegals residing in the county.

Of all the issues held dear by the far left, trans "rights" (such as beating up women in sports and violating their privacy everywhere), and "rights" of illegals who are actually criminals who entered the country illegally (and worse committing other crimes including drug smuggling, human trafficking's, assaults, robbery, and domestic terrorism) these two are the biggest **losers** of them all.

The problem with trans is it is based on a 100% lie and denial of reality.

Men **cannot** become women and visa versa.

Children do not possess adult critical reasoning. It is immoral to chemically or surgically castrate children.

While identifying as the opposite sex is one thing, asking others to accept non-reality is another and basing privileges' on lies is demoralizing and destabilizing to society.

One can "identify" as a dog, but that doesn't mean we have to go along with

protecting the "rights" of such people to poop on someone's lawn or pee on a fire hydrant.

This is a 85%-15% issue. Everyone knows both are wrong except you and that 15%.

You are a bunch of actors on a stage performing for a group of sometimes violent, child attracted reality devoid clowns while wasting our money otherwise known as losers.

Get over it. The far left is on the wrong side of almost every issue and it is only a matter of time when you will become very lonely in a puddle of Democratic shrinking blue goo.

Sincerely,

Garrett Philipp
