I am interested in serving on the County Latino Affairs Commission because I am dedicated to the advancement and protection of the rights for the Latino Community. I grew up undocumented until I received DACA right before starting my Junior Year of High School. I went to community college at Canada College and finally got myself into UCSC despite the challenges. I have been working in Santa Cruz City Schools as a Bilingual Community Support Coordinator; where the majority of my skillset has been used to introduce newcomers to the community, make them feel heard and welcome, direct them towards resources, and overall to help the transition to a new country feel a little less stressful. I have also worked as a Case Manager/Housing Navigator; meaning that I am aware of resources available can access as well as the eligibility requirements for most resources. I am also currently working on the printable/hard copy version of the 2025 County Resource Guide with the County Office of Education.
