Dear Supervisor District Project Planner Mark Connolly,
Supervisor Manu Koenig, and
Supervisors Kimberly De Serpa, Justin Cummings, Felipe Hernandez, and Monica
Martinez:

I live on Paul Minnie Avenue.

This letter is regarding the proposed rezoning affecting 47 properties in Batch B of the
Housing Development Rezoning program.

I am very concerned about the traffic this will cause on Paul Minnie Avenue, in light of the
already impacted parking situation on the street with the nursing home, the dispensary and
the school making it very busy.

My neighbors and I are extremely concerned about the impact on our privacy and quality of
life, especially of the neighbors whose driveway (not a street!) would be used as the only
access to the property on which a new multi-unit development would be built.

Our street is already over-built and too crowded.

Thank you for your consideration.

Sincerely,
- Naomi Fine
