Subject: Urgent Need for Route 90 Restoration

Dear Santa Cruz County Supervisor, I hope this message finds you well.

I am writing to express my deep concern about the cancellation of Route 90 from Watsonville to downtown Santa Cruz.

This critical route provided a vital connection for many residents, especially seniors who rely on it for timely access to medical appointments at Kaiser on Cooper Street.

The elimination of this service not only impacts those who depend on public transportation but also undermines our community's efforts to promote accessible mobility. Restoring Route 90 would significantly enhance connectivity without burdening in-town roads, ensuring that our seniors and other riders can travel efficiently and reliably. I urge you to reconsider this decision and prioritize the reinstatement of Route 90 for the well-being of our community.

Thank you for your attention to this important matter.

Sincerely,

Fabian C Leonor
