Supervisors and Staff,

We are asking you to uphold the Planning Commissioners DENIAL of Application 221049 for the proposed cell tower at 186 Summit Drive in Bonny Doon.

It is environmentally wrong. It would be visually devastating. The proposed tower is disruptive to our health, both mentally and physically.

It is an un-necessary cell tower, in the wrong place, in the middle of our neighborhood.

**Please deny the tower application in it's entirety.**
