Hello,

I must share with you my complete and utter opposition to The Haven development.

At first I scoffed at the idea, but then I learned this was for real.

- 1) It is in a sensitive habitat that needs protection, not destruction.
- 2) The water here is barely enough to meet our needs in a good year. Doubt is undoubtedly on the way at some point.
- 3) Don't even get me going about the traffic issues in the SLV-Santa Cruz area. Especially in an evacuation situation. It's crazy now...adding even more vehicles on the road will make it worse.

Please don't allow this project to proceed.

Thank you,

Lucia MacLean
