County of Santa Cruz Board of Supervisors

Agenda Item Submittal

From: Board of Supervisors - Third District and Fourth District

Subject: Resolution in Support of Senate Bill 48 -- Immigration Enforcement Prohibitions on School Sites

Meeting Date: January 28, 2025

Formal Title: Adopt resolution in support of Senate Bill 48 - Immigration Enforcement Prohibitions on School Sites, and take related actions

Recommended Actions

1. Adopt resolution in support of Senate Bill 48 (Gonzalez) - Immigration Enforcement Prohibitions on School Sites; and
2. Authorize the Chair of the Board of Supervisors to send a letter of support to the bill's authors and to the County's state legislative delegation.

Executive Summary

Senate Bill 48, introduced by California Senate Majority Leader Lena Gonzalez (D-33), aims to protect immigrant families and ensure that public schools remain safe, secure, and supportive learning environments for all students. The legislation would prohibit school districts, county offices of education, and charter schools from permitting federal immigration enforcement activities on school campuses without a judicial warrant. It would also prohibit local law enforcement agencies from collaborating with immigration authorities on enforcement actions near schools. Given Santa Cruz County's commitment to equity, inclusion, and the welfare of immigrant communities, supporting this legislation aligns with our values and priorities.

Discussion

California's public schools are home to a diverse population of students, with nearly half belonging to immigrant families. However, increased immigration enforcement actions in and around schools have disrupted learning environments, exacerbated absenteeism, and created a climate of fear. Existing laws, including the California Values Act, provide some protections but do not fully address immigration enforcement on or near school campuses. Protecting school environments from immigration enforcement activities is essential to ensuring student success and upholding the constitutional guarantee of safe and secure campuses for all.

Senate Bill 48 (SB 48) addresses this issue by: 1) prohibiting Immigration and Customs Enforcement (ICE) officers and other federal officials from accessing school campuses without a judicial warrant; 2) preventing the disclosure of education records or personal information about students, their families, or school staff to immigration authorities without proper authorization; 3) restricting California law enforcement from assisting immigration authorities with enforcement actions within a one-mile radius of any school; and 4) mitigating the financial and educational harm caused by immigration enforcement, particularly in immigrant communities.

SB 48 aligns with Santa Cruz County's values of equity, inclusion, and community well-

being and affirms a statewide commitment to protect immigrant students and their families from undue stress and harm; ensure compliance with state mandates guaranteeing the right to education for all children; and safeguard school funding tied to student attendance.

By adopting a resolution in support of SB 48, and communicating this support to the bill's author, as well as to our state legislative delegation, the County will reaffirm its commitment to ensuring that all students, regardless of immigration status, can learn in a safe and supportive environment and demonstrate solidarity with immigrant families.

BEFORE THE BOARD OF SUPERVISORS
 OF THE COUNTY OF SANTA CRUZ, STATE OF CALIFORNIA

RESOLUTION NO. 7-2025

On the motion of Supervisor Cummings:
 Duly seconded by Supervisor Koenig:

The following resolution is adopted:

RESOLUTION IN SUPPORT OF SENATE BILL 48 (GONZALEZ) RELATING TO
 IMMIGRATION ENFORCEMENT PROTECTIONS IN SCHOOLS

WHEREAS, Senate Bill 48, introduced by Senate Majority Leader Lena Gonzalez, seeks to protect the rights and safety of students, families, and school personnel by prohibiting federal immigration authorities from accessing school campuses without a judicial warrant and by limiting the sharing of sensitive information related to immigration enforcement; and

WHEREAS, nearly half of California's 9 million children (and 42% of Santa Cruz County's children) are part of immigrant families, with one in five living in mixed-status families, and the vast majority of these children are United States citizens, underscoring the critical need for school environments free from immigration enforcement threats; and

WHEREAS, studies have demonstrated that increased immigration enforcement actions near schools result in significant declines in student attendance and academic performance, including increased absenteeism, difficulties with concentration, and heightened dropout rates, disproportionately affecting Latinx students and children from immigrant families; and

WHEREAS, the California Constitution guarantees all students, regardless of immigration status, the inalienable right to access safe, secure, and peaceful campuses, and SB 48 reinforces this guarantee by ensuring that schools remain safe havens where students can learn without fear of deportation or discrimination; and

WHEREAS, SB 48 aligns with California's commitment to upholding the rights of all residents, including immigrant families, by preventing collaboration between local law enforcement and immigration authorities in ways that jeopardize the well-being of students and school communities; and

Resolution 7-2025

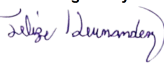

WHEREAS, the Santa Cruz County Board of Supervisors recognizes the importance of protecting all students, regardless of their or their families' immigration status, to promote a safe and equitable educational environment;

NOW, THEREFORE, BE IT RESOLVED, that the Santa Cruz County Board of Supervisors expresses its strong support for Senate Bill 48 (Gonzalez) and urges its swift passage to protect the educational rights, safety, and dignity of students, families, and school personnel across California.

BE IT FURTHER RESOLVED, that the Santa Cruz County Board of Supervisors expresses its strong support for an amendment to the bill that would expand immigrant protections to medical facilities, places of worship, ceremonial events including but not limited to weddings and funerals, and public demonstrations.

Introduced by Senator Gonzalez

December 16, 2024

An act to add Section 234.8 to the Education Code, and to amend Section 7284.6 of the Government Code, relating to immigration enforcement, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

SB 48, as introduced, Gonzalez. Immigration enforcement: schoolsites: prohibitions on access, sharing information, and law enforcement collaboration.

Existing law prohibits, except as required by state or federal law or as required to administer a state- or federally supported educational program, school officials and employees of a school district, county office of education, or charter school from collecting information or documents regarding citizenship or immigration status of pupils or their family members.

This bill would prohibit school districts, county offices of education, or charter schools and their personnel from granting a United States Immigration and Customs Enforcement officer, or other federal official engaging in immigration related investigation or enforcement, permission to access a school campus without a judicial warrant. The bill would require a local educational agency and its personnel, to the extent possible, to have the denial of permission for access witnessed and documented. The bill would also prohibit a local educational agency and its personnel from disclosing or providing, in writing, verbally, or in any other manner, the education records of or any information about a pupil, pupil's family and household, school employee, or teacher to a United States Immigration and Customs Enforcement officer, or any

other federal official engaging in immigration related investigation or enforcement, without a judicial warrant, and regarding a pupil's educational records or personal information, without the written consent of the pupil's parent or legal guardian. By imposing additional duties on local educational agencies, the bill would impose a state-mandated local program.

Existing law, the California Values Act, generally prohibits California law enforcement agencies from investigating, interrogating, detaining, detecting, or arresting persons for immigration enforcement purposes. Existing law provides certain limited exceptions to this prohibition, including transfers of persons pursuant to a judicial warrant and providing certain information to federal authorities regarding serious and violent felons in custody.

This bill would prohibit California law enforcement agencies from collaborating with, or providing any information about a pupil, pupil's family and household, school employee, or teacher in writing, verbally, or in any other manner, to immigration authorities regarding proposed or currently underway immigration enforcement actions when the actions could be or are taking place within a radius of one mile of any schoolsite. To the extent this bill would impose additional duties on local law enforcement agencies or officials, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

This bill would declare that it is to take effect immediately as an urgency statute.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. (a) The Legislature finds and declares all of the
- 2 following:
- 3 (1) Immigrant families are facing increased threats of
- 4 deportation.

1 (2) According to estimates as recent as 2022, 46 percent of
2 California’s 9 million children are part of immigrant families, 1
3 in 5 California children live in mixed-status families, and 93
4 percent of children in mixed-status families are United States
5 citizens.

6 (3) California schools report that United States Immigration
7 and Customs Enforcement agents have targeted and detained
8 pupils’ parents as they transport the pupils to or from school.

9 (4) A report by the United Nations Educational, Scientific, and
10 Cultural Organization found that in the United States, deportation
11 fears have an impact on school attendance.

12 (5) The United Nations Educational, Scientific, and Cultural
13 Organization found that the fear is exacerbated if schools allow
14 Immigration and Customs Enforcement agents to search the
15 facilities or collect immigration information on pupils.

16 (6) A report by the California Advisory Committee to the United
17 States Commission on Civil Rights found that an increase in
18 families’ fear of deportation has a “chilling effect on education
19 for undocumented children and children of undocumented parents,”
20 resulting in decreased school attendance and school funding, which
21 is intended to support all pupils.

22 (7) Studies have also shown strong associations between
23 increased immigration enforcement and increased absenteeism for
24 Latinx pupils and children from immigrant families. This research
25 also demonstrated that deportation threats have many effects on
26 the academic success of Latinx pupils and pupils from immigrant
27 families, including difficulties with concentration in school, lower
28 achievement in mathematics, repeated grade levels, and an increase
29 in dropout rates in some areas where intense immigration
30 enforcement action takes place.

31 (8) Current law guarantees that all children have a right to free
32 public education, regardless of their immigration status, and a right
33 to be in a public school learning environment that is free of
34 discrimination, harassment, bullying, violence, or intimidation
35 based on ethnicity, shared ancestry, or national origin.

36 (9) The California Constitution provides all pupils and school
37 personnel, regardless of immigration status, the inalienable right
38 to attend campuses that are safe, secure, and peaceful.

(10) Increases in school absenteeism cause school revenue to decline in California, where school funding is connected to pupil attendance.

(b) Therefore, it is the intent of the Legislature to do all of the following:

(1) Declare that California must take action to protect California pupils and ensure that guarantees in the law providing pupils with an education regardless of their immigration status are followed.

(2) Protect needed school revenue that will be diminished as a result of immigration enforcement threats on or near school campuses. These deportation threats cause families, including families of citizens of the United States, to be afraid to send their pupils to school, thereby reducing school revenue and preventing pupils of all backgrounds from obtaining a quality education.

(3) Assure families that California schools will not cooperate with United States Immigration and Customs Enforcement officials who are or plan to be on or near a schoolsite. Pupils' safety, well-being, and access to education are paramount. It is also critical to preserve school funding in the face of declining enrollment and other factors that reduce school revenue. By refraining from cooperating with Immigration and Customs Enforcement officials who seek to access school campuses and communities surrounding school campuses, California will safeguard pupils, families, and school employees, and preserve schools' attendance-based revenue.

SEC. 2. Section 234.8 is added to the Education Code, immediately following Section 234.7, to read:

234.8. (a) (1) A local educational agency and its personnel shall not grant a United States Immigration and Customs Enforcement officer, or other federal official engaging in immigration related investigation or enforcement, permission to access a school campus without a judicial warrant.

(2) A local educational agency and its personnel shall, to the extent possible, have the denial of permission for access pursuant to paragraph (1) witnessed and documented.

(b) A local educational agency and its personnel shall not disclose or provide in writing, verbally, or in any other manner, the education records of or any information about a pupil, pupil's family and household, school employee, or teacher to a United States Immigration and Customs Enforcement officer, or any other federal official engaging in immigration related investigation or

1 enforcement, without a judicial warrant and, regarding a pupil's
2 education records or personal information, without the written
3 consent of the pupil's parent or legal guardian.

4 (c) For purposes of this section, "local educational agency"
5 means a school district, county office of education, or charter
6 school.

7 SEC. 3. Section 7284.6 of the Government Code is amended
8 to read:

9 7284.6. (a) California law enforcement agencies shall not:

10 (1) Use agency or department moneys or personnel to
11 investigate, interrogate, detain, detect, or arrest persons for
12 immigration enforcement purposes, including any of the following:

39 enforcement matters relating to individuals in agency or department
40 custody.

1 (4) Transfer an individual to immigration authorities unless
2 authorized by a judicial warrant or judicial probable cause
3 determination, or in accordance with Section 7282.5.

4 (5) Provide office space exclusively dedicated for immigration
5 authorities for use within a city or county law enforcement facility.

23 (2) Responding to a request from immigration authorities for

35 is not immigration enforcement, as defined in subdivision (f) of
36 Section 7284.4.

37 (B) The enforcement or investigative duties are primarily related
38 to a violation of state or federal law unrelated to immigration
39 enforcement.

1 (C) Participation in the task force by a California law

County of Santa Cruz Board of Supervisors

Agenda Item Submittal

From: Board of Supervisors - Third District and Fourth District

Subject: Resolution in Support of Senate Bill 48 -- Immigration Enforcement Prohibitions on School Sites

Meeting Date: January 28, 2025

Formal Title: Adopt resolution in support of Senate Bill 48 - Immigration Enforcement Prohibitions on School Sites, and take related actions

Recommended Actions

1. Adopt resolution in support of Senate Bill 48 (Gonzalez) - Immigration Enforcement Prohibitions on School Sites; and
2. Authorize the Chair of the Board of Supervisors to send a letter of support to the bill's authors and to the County's state legislative delegation.

Executive Summary

Senate Bill 48, introduced by California Senate Majority Leader Lena Gonzalez (D-33), aims to protect immigrant families and ensure that public schools remain safe, secure, and supportive learning environments for all students. The legislation would prohibit school districts, county offices of education, and charter schools from permitting federal immigration enforcement activities on school campuses without a judicial warrant. It would also prohibit local law enforcement agencies from collaborating with immigration authorities on enforcement actions near schools. Given Santa Cruz County's commitment to equity, inclusion, and the welfare of immigrant communities, supporting this legislation aligns with our values and priorities.

Discussion

California's public schools are home to a diverse population of students, with nearly half belonging to immigrant families. However, increased immigration enforcement actions in and around schools have disrupted learning environments, exacerbated absenteeism, and created a climate of fear. Existing laws, including the California Values Act, provide some protections but do not fully address immigration enforcement on or near school campuses. Protecting school environments from immigration enforcement activities is essential to ensuring student success and upholding the constitutional guarantee of safe and secure campuses for all.

Senate Bill 48 (SB 48) addresses this issue by: 1) prohibiting Immigration and Customs Enforcement (ICE) officers and other federal officials from accessing school campuses without a judicial warrant; 2) preventing the disclosure of education records or personal information about students, their families, or school staff to immigration authorities without proper authorization; 3) restricting California law enforcement from assisting immigration authorities with enforcement actions within a one-mile radius of any school; and 4) mitigating the financial and educational harm caused by immigration enforcement, particularly in immigrant communities.

SB 48 aligns with Santa Cruz County's values of equity, inclusion, and community well-

being and affirms a statewide commitment to protect immigrant students and their families from undue stress and harm; ensure compliance with state mandates guaranteeing the right to education for all children; and safeguard school funding tied to student attendance. In additions to these protections, is also recommended that the author consider adding language to the bill that would extend these protections to medical facilities, places of worship, ceremonial events including but not limited to weddings and funerals, and public demonstrations.

By adopting a resolution in support of SB 48, and communicating this support to the bill's author, as well as to our state legislative delegation, the County will reaffirm its commitment to ensuring that all students, regardless of immigration status, can learn in a safe and supportive environment and demonstrate solidarity with immigrant families.
