Subject: Accept California Department of Social Services Housing Support Program Funding and Approve Related Agreements

3. Approve first amendment to agreement 25W3972 with Families in Transition Santa Cruz County Inc. (FIT), increasing the amount by \$889,096, for a not-to-exceed total of \$2,969,370, to expand CalWORKs Housing and Move-in Program (CHAMP) services;
4. Approve agreement 25W4315 with Community Action Board of Santa Cruz County, Inc. (CAB), in the amount of \$600,000, for flexible rehousing and prevention assistance fund management; and

Executive Summary

The Human Services Department (HSD) recommends the Board adopt a resolution accepting unanticipated revenue in the amount of \$1,649,746 from the California Department of Social Services (CDSS) to expand available supports to Housing Support Program (HSP) participants and approve related agreements.

Discussion

In 2014, CDSS established the California Work Opportunity and Responsibility to Kids (CalWORKs) Housing Support Program to reduce the number of CalWORKs families experiencing or at risk of homelessness. In September 2024, Santa Cruz County was awarded \$2,325,848 additional HSP funds to be spent by June 2025. Out of the \$2,325,848, \$676,102 were used to fund existing HSP agreements and HSD is proposing to use the remaining \$1,649,746 in expanding the support for eligible families

to attain or maintain permanent housing including through rent, security deposits, household furnishings, shelter services, temporary hotel/motel stays and access to credit restoration services.

Housing Matters CalWORKs Emergency Housing Program (CEHP)

Housing Matters provides the CalWORKs Emergency Housing Program participants with shelter while they seek permanent housing opportunities. This program is largely successful but is rarely able to shelter all eligible participants for the full fiscal year; it is anticipated that current contracted funds will be expended by May 2025. The amendment will provide 1,785 additional shelter nights for eligible CalWORKs families.

Family In Transition CalWORKs Housing and Move-in Program (CHAMP)

Families in Transition (FIT) provides case management and financial assistance to support CHAMP participants to attain and maintain permanent housing. To date, CHAMP has assisted more than 455 families with direct participant assistance, and 71% of families have graduated from the program into permanent housing.

Even with the increase of shelter nights through the CEHP, it is anticipated that additional CHAMP participants will be unable to access a safe, sheltered place to stay while seeking permanent housing. Utilizing available HSP funds to provide CHAMP participants with temporary hotel/motel stays will help families meet their immediate shelter needs and allow families more time to focus on tasks that will support them in attaining permanent housing including engaging in case management services, increasing income, searching for units, and attending unit viewings.

Low credit scores impacted by high amounts of debt are a barrier to housing attainment. By providing funds to pay off debt and restore credit, families increase their chances of passing background checks required by many landlords during their housing application screening process. Furthermore, reducing debt burden frees up additional income that families can allocate towards rent and other essential needs, increasing their housing stability.

CAB Housing Support Program (HSP)

CAB has extensive experience managing flexible funding programs to address housing-related needs on behalf of the County. While creating a centralized flexible pool of funding to provide housing related financial assistance to help households resolve housing stability issues, the new contract will also allow Housing for Health to ensure appropriate separation of these services in support of grant compliance requirements.

The CAB HSP contract will help local CalWORKs enrolled households avoid eviction and to obtain or maintain housing. The performance of CAB's Housing Support Program agreement will be measured by the timeliness of payment assistance services disbursement, along with data collection on the number of individuals that move from homelessness into housing or that maintain housing through homelessness prevention assistance.

Financial Impact

The proposed Board actions do not require any additional General Fund contributions. Approval of the amendments to Housing Matters and FIT agreements, and agreement

with CAB will require approval of a resolution accepting unanticipated revenues of \$1,649,746 from CDSS, as detailed in the attached AUD60.

CALWORKS HOUSING ASSISTANCE AND MOVE-IN PROGRAM (CHAMP)

I. AGREEMENT OVERVIEW

In July 2014, the California Department of Social Services implemented the California Work Opportunity and Responsibility to Kids (CalWORKs) Housing Support Program (HSP) to facilitate the ability of CalWORKs' recipients experiencing homelessness to attain and maintain housing.

Under the authority of state CalWORKs HSP regulations, and to support housing stability for CalWORKs' recipients experiencing homelessness, the County of Santa Cruz (COUNTY) Human Services Department (HSD) is entering into contract with Housing Matters (CONTRACTOR) as part of a multi-disciplinary, multi-agency effort, to provide eligible participants with housing support services, known locally as the CalWORKs Housing Assistance and Move-in Program (CHAMP). CHAMP utilizes evidence-based Housing First and Rapid Re-Housing practices to outreach and engage in housing problem solving conversations with families experiencing homelessness countywide, and provide housing navigation, housing-related case management, and temporary financial assistance to participating families.

Additionally, CONTRACTOR will provide eligible participants with emergency shelter assistance known locally as the CalWORKs Emergency Housing Program (CEHP), for eligible families experiencing homelessness in Santa Cruz County. CEHP provides emergency shelter and supportive services to eligible families while they seek permanent housing opportunities. CONTRACTOR will provide an average of 90 days of CEHP at its Rebele Family Shelter (RFS) per eligible family.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, County of Santa Cruz (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, County of Santa Cruz (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

COUNTY shall provide CONTRACTOR at least seven (7) calendar days advance written notice of its intent to terminate this Contract due to insufficient funding.

D. **Compensation Upon Termination.** In the event this Contract is terminated, CONTRACTOR shall be entitled to compensation for uncompensated services provided pursuant to the terms and conditions set forth herein through and including the effective date of such termination. However, this provision shall not limit or reduce any damages owed to COUNTY due to a breach of this Contract by CONTRACTOR.

5. INDEMNIFICATION FOR DAMAGES, TAXES AND CONTRIBUTIONS.

To the fullest extent permitted by applicable law, CONTRACTOR shall exonerate, indemnify, defend, and hold harmless COUNTY (which for the purpose of Paragraphs 5 and 6 shall include, without limitation, its officers, officials, agents, employees and volunteers) from and against:

A. Any and all claims, demands, losses, damages, defense costs, expenses (including attorneys' fees and costs), fines, penalties, and liabilities of any kind or nature which COUNTY, CONTRACTOR, or any third party may sustain as a result of, arising out of, or in any manner connected with CONTRACTOR's performance or failure to comply with or perform under the terms of this Contract, excepting any liability arising out of the sole negligence of COUNTY. Such indemnification includes any damage to the person(s), or property(ies) of CONTRACTOR and third persons.

B. Any and all federal, state, and local taxes, charges, fees, or contributions required to be paid with respect to CONTRACTOR and CONTRACTOR's officers, employees, and agents engaged in the performance of this Contract (including, without limitation, unemployment insurance, social security and payroll tax withholding).

COUNTY may conduct or participate in its own defense without affecting CONTRACTOR's obligation to indemnify and hold harmless or defend COUNTY.

Acceptance of the insurance required by this Contract shall not relieve CONTRACTOR from liability under this provision. This provision shall apply to all claims for damages related to CONTRACTOR's performance hereunder, regardless of whether any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided hereunder.

This Paragraph 5 shall survive the termination or expiration of this Contract.

6. INSURANCE. CONTRACTOR, at its sole cost and expense, for the full term of this Contract (and any extensions thereof), shall obtain and maintain, at minimum, compliance with all of the following insurance coverage(s) and requirements. Such insurance coverage shall be primary coverage and non-contributory as respects COUNTY and any insurance or self-insurance maintained by COUNTY shall be considered in excess of CONTRACTOR's insurance coverage and shall not contribute to it. If CONTRACTOR normally carries insurance in an amount greater than the minimum amount required by COUNTY for this Contract, that greater amount shall become the minimum required amount of insurance for purposes of this Contract. Therefore, CONTRACTOR hereby acknowledges and agrees that any and all insurances carried by it shall be deemed liability coverage for any and all actions it performs in connection with this Contract. Insurance is to be obtained from insurers reasonably acceptable to COUNTY.

If CONTRACTOR utilizes one or more subcontractors in the performance of this Contract, CONTRACTOR shall obtain and maintain Contractor's Protective Liability insurance as to each subcontractor or otherwise provide evidence of insurance coverage from each subcontractor equivalent to that required of CONTRACTOR in this Contract.

A. Types of Insurance and Minimum Limits

- i. Workers' Compensation Insurance in the minimum statutorily required coverage amounts.

ii. Automobile Liability Insurance for each of CONTRACTOR's vehicles used in the performance of this Contract, including owned, non-owned (e.g. owned by CONTRACTOR's employees), leased or hired vehicles, in the minimum amount of \$500,000 combined single limit per occurrence for bodily injury and property damage.

iii. Comprehensive or Commercial General Liability Insurance coverage at least as broad as the most recent ISO Form CG 00 01 with a minimum limit of \$2,000,000 per occurrence, and \$2,000,000 in the aggregate, including coverage for: (a) products and completed operations, (b) bodily and personal injury, (c) broad form property damage, (d) contractual liability, and (e) cross-liability.

iv. Professional Liability Insurance in the minimum amount of \$1,000,000.00 combined single limit.

v. Cyber liability insurance with limits of not less than \$1,000,000 per occurrence, and \$2,000,000 in the aggregate. Coverage must include claims involving Cyber Risks. The cyber liability policy must be endorsed to cover the full replacement value of damage to, alteration of, loss of, or destruction of intangible property (including but not limited to information or data) that is in the care, custody, or control of CONTRACTOR. "Cyber Risks" include but are not limited to (1) security breach; (2) data breach; (3) system failure; (4) data recovery; (5) failure to timely disclose data breach or security breach; (6) failure to comply with privacy policy; (7) business interruption; (8) cyber extortion; (9) invasion of privacy violations, including release of private information; (10) information theft; (11) release of private information; (12) payment card liabilities and costs; (13) infringement of intellectual property, including but not limited to infringement of copyright, trademark, and trade dress; (14) damage to or destruction or alteration of electronic information; (15) extortion related to CONTRACTOR's obligations under this Contract regarding electronic information, including personal information; (16) fraudulent instruction; (17) funds transfer fraud; (18) telephone fraud; (19) network security; (20) data breach response costs, including security breach response costs; (21) regulatory fines and penalties related to CONTRACTOR's obligations under this Contract regarding electronic information, including personal information; and (22) credit monitoring expenses.

B. Other Insurance Provisions

i. If any insurance coverage required in this Contract is provided on a "Claims Made" rather than "Occurrence" form, CONTRACTOR agrees that the retroactive date thereof shall be no later than the date first written in Paragraph 3 of this Contract, and that it shall maintain the required coverage for a period of three (3) years after the expiration of this Contract (hereinafter "post Contract coverage") and any extensions thereof. CONTRACTOR may maintain the required post Contract coverage by renewal or purchase of prior acts or tail coverage. This provision is contingent upon post Contract coverage being both available and reasonably affordable in relation to the coverage provided during the term of this Contract. For purposes of interpreting this requirement, a cost not exceeding 100% of the last annual policy premium during the term of this Contract in order to purchase prior acts or tail coverage for post Contract coverage shall be deemed to be reasonable.

ii. All policies of Comprehensive or Commercial General Liability Insurance shall be endorsed to cover the County of Santa Cruz, its officers, officials, employees, agents, and volunteers as additional insureds with respect to liability arising out of the work or operations and activities performed by or on behalf of CONTRACTOR, including materials, parts or equipment furnished in connection with such work or operations. Endorsements shall be at least as broad as

ISO Form CG 20 10 11 85, or both CG 20 10 10 01 and CG 20 37 10 01, covering both ongoing operations and products and completed operations.

iii. All required policies shall be endorsed to contain the following clause:
“This insurance shall not be canceled until after thirty (30) calendar days’ prior written notice (10 calendar days for nonpayment of premium) has been given to:

**County of Santa Cruz
Human Services Department
Attn: Centralized Contracts Unit
1040 Emeline Ave
Santa Cruz, CA 95060**

Should CONTRACTOR fail to obtain such an endorsement to any policy required hereunder, CONTRACTOR shall be responsible to provide at least thirty (30) calendar days’ notice (10 calendar days for nonpayment of premium) of cancellation of such policy to COUNTY as a material term of this Contract.

iv. CONTRACTOR agrees to provide its insurance broker(s) with a full copy of these insurance provisions and provide COUNTY on or before the effective date of this Contract with Certificates of Insurance and endorsements for all required coverages. However, failure to obtain the required documents prior to the work beginning shall not waive CONTRACTOR’s obligation to provide them. All Certificates of Insurance and endorsements shall be delivered or sent to:

**County of Santa Cruz
Human Services Department
Attn: Centralized Contracts Unit
1040 Emeline Ave
Santa Cruz, CA 95060**

v. CONTRACTOR hereby grants to COUNTY a waiver of any right of subrogation which any insurer of said CONTRACTOR may acquire against COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not COUNTY has received a waiver of subrogation endorsement from the insurer.

7. EQUAL EMPLOYMENT OPPORTUNITY. During and in relation to the performance of this Contract, CONTRACTOR agrees as follows:

A. CONTRACTOR shall not discriminate against any employee or applicant for employment because of race, color, creed, religion, national origin, ancestry, physical or mental disability, medical condition (including cancer-related and genetic characteristics), marital status, sexual orientation, age (over 18), veteran status, gender, pregnancy, or any other non-merit factor unrelated to job duties. Such action shall include, but not be limited to, the following: recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, selection for training (including apprenticeship), employment, upgrading, demotion, or transfer. CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notice setting forth the provisions of this non-discrimination clause.

B. If this Contract provides compensation in excess of \$50,000 to CONTRACTOR and if CONTRACTOR employs fifteen (15) or more employees, the following requirements shall apply:

i. CONTRACTOR shall, in all solicitations or advertisements for employees placed by or on behalf of CONTRACTOR, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, national origin, ancestry, physical or mental disability, medical condition (including cancer-related and genetic characteristics), marital status, sexual orientation, age (over 18), veteran status, gender, pregnancy, or any other non-merit factor unrelated to job duties. Such action shall include, but not be limited to, the following: recruitment; advertising, layoff or termination, rates of pay or other forms of compensation, selection for training (including apprenticeship), employment, upgrading, demotion, or transfer. In addition, CONTRACTOR shall make a good faith effort to consider Minority/Women/Disabled Owned Business Enterprises in CONTRACTOR's solicitation of goods and services. Definitions for Minority/Women/Disabled Owned Business Enterprises are available from the COUNTY General Services Purchasing Division.

ii. In the event of CONTRACTOR's non-compliance with the non-discrimination clauses of this Contract or with any of the said rules, regulations, or orders said CONTRACTOR may be declared ineligible for further contracts with COUNTY.

iii. CONTRACTOR shall cause the foregoing provisions of subparagraphs 7B(i) and 7B(ii) to be inserted in all subcontracts for any work covered under this Contract by a subcontractor compensated more than \$50,000 and employing more than fifteen (15) employees, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

8. INDEPENDENT CONTRACTOR. CONTRACTOR and COUNTY agree that in performing its obligations under this Contract, CONTRACTOR, including its officers, agents, employees, and volunteers, is at all times acting and performing as an independent contractor, in an independent capacity, and not as an officer, agent, servant, employee, joint venturer, partner, or associate of COUNTY.

Because of its status as an independent contractor, CONTRACTOR has no right to employment rights or benefits available to COUNTY employees. CONTRACTOR is solely responsible for providing to its own employees all employee benefits required by law. CONTRACTOR shall save COUNTY harmless from all matters relating to the payment of CONTRACTOR's employees, including all payroll related taxes. COUNTY has no right to control, supervise, or direct the manner or method of CONTRACTOR's performance under this Contract, but COUNTY may verify that CONTRACTOR is performing according to the terms of this Contract.

11. ACKNOWLEDGMENT. CONTRACTOR shall acknowledge in all reports and literature that the Santa Cruz County Board of Supervisors has provided funding to CONTRACTOR.

12. INSPECTIONS, AUDITS, AND PUBLIC RECORDS.

i. If COUNTY receives a written or oral request under the CPRA to publicly disclose any record that is in CONTRACTOR's possession or control, and which COUNTY has a right, under any provision of this Contract or applicable law, to possess or control, then COUNTY may demand, in writing, that CONTRACTOR deliver to COUNTY, for purposes of public disclosure, the requested records that may be in the possession or control of CONTRACTOR. Within five (5) COUNTY business days after COUNTY's demand, CONTRACTOR shall (a) deliver to COUNTY all of the requested records that are in CONTRACTOR's possession or control, together with a written statement that CONTRACTOR, after conducting a diligent search, has produced all requested records that are in CONTRACTOR's possession or control, or (b) provide to COUNTY a written statement that CONTRACTOR, after conducting a diligent search, does not possess or control any of the requested records.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, County of Santa Cruz (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, County of Santa Cruz (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
