## **County of Santa Cruz Board of Supervisors**

### **Agenda Item Submittal**

**From:** Parks, Open Spaces, and Cultural Services

**Subject:** Designate Arts Council Santa Cruz County as State/Local Partner to California Arts Council

**Meeting Date:** February 11, 2025

**Formal Title:** Adopt resolution approving designation of Arts Council Santa Cruz County as the Santa Cruz County representative to the State/Local Partnership Program for the California Arts Council

### **Recommended Action**

Adopt resolution approving designation of Arts Council Santa Cruz County as the Santa Cruz County representative to the State/Local Partnership Program for the California Arts Council.

### **Executive Summary**

The Director of Parks, Open Space and Cultural Services is requesting that Arts Council Santa Cruz County be designated as the State/Local Partner for Santa Cruz County and therefore be eligible for funds allocated by the California Arts Council.

### **Discussion**

The California Arts Council (CAC) typically allocates funds to one Arts Council in each county through its State/Local Partnership Program to encourage cultural planning and decision making at the local level and for the development of programs to serve constituents.

For over three decades, Arts Council Santa Cruz County has been designated by the Board of Supervisors as the State/Local Partner for Santa Cruz County, thereby creating an opportunity for the Arts Council to apply for funds available under this program.

To qualify for the State/Local Partnership Program, an organization is required to have: 1) developed a comprehensive Arts Plan, which is currently being implemented; and 2) the organization must be designated a State/Local Partner via a resolution by the Board of Supervisors.

There is a possibility of grant funding awarded by the CAC in Fiscal Year 2025-26. To be eligible for this potential funding, the Parks Department is requesting that the Board adopt the required resolution.

The designation establishes a partnership and cultivates the arts in accordance with Objective 2.5 (Partnerships), and Objective 3.2 (Arts) of the Parks Strategic Plan

### **Financial Impact**

There is no financial impact from the recommended action.

### **Strategic Initiatives**

Equity Framework - Community Voices & Partnership

Operational Plan - Operational Excellence

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, County of Santa Cruz (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.
